

Here at Fluid, we like to make the approval process as simple and streamlined as possible!

This document is to help illustrate what you can expect during the approval process, as well as the forms needed and action we will require from you.

We understand that the process of obtaining an approval can be daunting, which is why our helpful and friendly Fluid Building Approval team will be with you every step of the way!

So let us take the reigns and help keep your projects flowing smoothly!
